Message to the Community

Wow, what an amazing year it has been! Last November the Outer Banks Community Foundation celebrated its 30th anniversary! Since our founding in 1982, we have given out more than \$3.6 million in grants and \$1.2 million in scholarships (pages 4–7), and those numbers grow each month.

What better way to celebrate philanthropy than by giving away more grants! Congratulations to Room in the Inn, Chicamacomico Lifesaving Station, and Food for Thought for winning new grant money through our 30th anniversary video contest, and to the three lucky winners (back page) who were drawn at random to receive \$9,000 each for new charitable endowments. Congratulations also to Barbara Bingham, our former Executive Director, who retired in 2012 after 14 years of service. Barbara and former Office Manager Alyson Belvin deservedly won our 2012 Champion Award (page 7), and we thank them heartily for their service. We also welcomed two wonderful new staff members, Lorelei Costa and Denise Wells, in 2012.

A month after our anniversary gala, we hit an even bigger milestone: On December 31, 2012, we reached **\$10 million** in charitable assets. \$10 million from a population of 36,000. Who could've imagined that, 30 years ago? This milestone is certainly thanks to sound oversight by our board and outstanding stewardship by our investment managers... not to mention a robust year in the stock market! But more significantly, **we have to thank all of you, our donors**, for your generous contributions (pages 8–11). You are helping to change lives and make the Outer Banks an even better place to live, work, and play. We are honored to partner with you.

More important than the size of our assets is the size of our impact. It's the Community Foundation's mission to help meet local needs, and to address the most urgent challenges and promising opportunities on the Outer Banks. We need your help to succeed in that goal, and we invite you to call our office anytime to share your ideas. Thank you for your heart for philanthropy. We are so excited to see what the next 30 years brings.

Sharon Elliott, President

Lorelei Costa, Executive Director

About the Community Foundation

The Outer Banks Community Foundation was organized in 1982 as a public charity to help meet local needs across Dare County and all Outer Banks communities, from Corolla to Ocracoke Island. The Community Foundation manages charitable funds for individuals and agencies, targets grants toward the community's most pressing needs and promising opportunities, and administers over 40 scholarship funds to help local students achieve their educational goals.

The Outer Banks Community Foundation manages a collection of charitable funds and organizational endowments, created by different donors at different times for various purposes, including designated and undesignated funds, donor-advised funds, field of interest funds, and scholarship funds. A donor may create an endowment during his or her lifetime, or by bequest, for general charitable purposes or for a particular specified purpose. The Community Foundation provides tailored services to help individuals and families pursue their charitable interests easily, effectively, and with maximum tax benefit.

The Community Foundation is the venture capitalist of the local charitable sector. Through our quarterly, competitive grants program, the Community Foundation is the only funding source that can reach all local charitable causes, including arts and culture, children and youth, education, the environment, disaster relief and prevention, health, historic interpretation and preservation, and other human services. The Community Foundation is a catalyst, helping the nonprofit sector evolve to take on new challenges and opportunities as they arise. The Community Foundation's permanent endowments are a resource for future generations to meet the challenges of their times.

Through the Outer Banks Community Foundation, people who love and appreciate the Outer Banks are able to give back to the community to help meet the pressing needs of today, while building a source of support for the future.

Make Your Mark

Community Foundation Champion Award

What is a champion? According to Merriam-Webster, a champion is an advocate, a defendant, a fighter, a person who actively supports or favors a cause. In February 2013 the Board of the Outer Banks Community Foundation recognized out-going staff members Barbara Bingham and Alyson Belvin with the prestigious Champion Award, honoring their 14 and 7 years of service, respectively. Thanks to their leadership, the Community Foundation grew five-fold in grant-making and charitable assets since Barbara began her tenure in 1999. We appreciate both Barbara and Alyson for their many years of hard work and championship!

To celebrate its 30th anniversary, the Community Foundation awarded \$30,000 in special grants in 2012. Three lucky attendees of the anniversary party (left to right: Penny Leary-Smith & George Ramsey, Cathi Ostrander, and Chris Ellison) were selected at random to receive \$9,000 each to create or add to a charitable fund. The Community Foundation also awarded \$3,000 in grants in a nonprofit video contest.
