Established in 2013 by his family, the David Aycock Loy Memorial Fund honors this boy (pictured) who left our earth too young. The fund will help Outer Banks children and families with autism.

2013

ANNUAL REPORT

MESSAGE TO THE COMMUNITY

Wow, it has been another amazing year for your Outer Banks Community Foundation! We are so excited to share our news with you in this annual report, and to showcase some of the wonderful students and charities we supported last year, thanks to your support.

In 2013 the Community Foundation reached several new milestones, including our largest grant to date: \$82,000 over three years for the Ocracoke Community Park. This grant will not only provide Ocracoke kids with their first-ever ballfield; it will also help conserve one of the last pieces of open space left on the island. And this is just one example of the 150 grants and scholarships we awarded last year, totaling \$500,000!

What's more exciting is that those numbers will grow. Last year we established 14 new funds that will start making grants this year! This includes wonderful funds in memory of David Aycock Loy (pictured on the cover) and Pauline Wright, our first dedicated funds to help people with Down syndrome, autism, and other intellectual and developmental disabilities. Please read about ALL of our incredible new funds on the following pages.

We also launched our first giving circle last year: OBX Giving for Good, established by and for local young families, especially those with school-age children. In its inaugural year the giving circle had 21 member families and awarded \$4,250 in grants. Giving for Good is an easy way for families to pool donations, make high-impact grants, and involve kids in philanthropy. We invite any size or shape family to join!

Another milestone we are thrilled to announce is that our asset base has now reached an astonishing \$12 million! Truly, this endowment belongs to you and to the entire Outer Banks. It is our community's investment in its future — our students, our health, our environment, our arts and culture, our entire quality of life.

Please, peruse the pages that follow to see all the ways you are helping to make the Outer Banks an even better place to live, work, and play. Thank you so very much for your wonderful contributions to your Outer Banks Community Foundation!

ABOUT THE COMMUNITY FOUNDATION

A grant to the Nature Conservancy will help protect our environment through educational signage in Nags Head Woods.

The Outer Banks Community Foundation was organized in 1982 as a public charity to help meet local needs in Dare County and across all Outer Banks communities, from Corolla to Ocracoke Island. The Community Foundation accomplishes its mission by increasing charitable giving in the area, by managing charitable funds for individuals and agencies, and by targeting grants toward the community's most pressing needs and promising opportunities.

Through its discretionary grants, the Community Foundation is the venture capitalist of our local charitable sector, supporting the most exciting and most urgent projects which best meet today's needs. The Community Foundation is the only funding source that reaches all community service organizations on the Outer Banks, in the arts, education, health and

human services, historic preservation, and the environment.

The Community Foundation is a catalyst, helping the nonprofit sector evolve to take on new challenges and opportunities as they arise. The Community Foundation's permanent endowments are a resource for future generations to meet the challenges of their times.

The Outer Banks Community Foundation manages a collection of undesignated assets, charitable funds, and scholarship funds, created by different donors at different times for various purposes. Donors may create funds during their lifetimes or by bequest, for general charitable purposes or for a particular purpose that they specify. The Community Foundation provides tailored services to help individuals, families, businesses, and other groups pursue their charitable interests easily, effectively, and with maximum tax benefit.

Through the Outer Banks Community Foundation, people who love and appreciate the Outer Banks are able to give something back to the community to help meet the pressing needs of today, while at the same time building a source of support for the future.

COMMUNITY FOUNDATION CHAMPION AWARD

Kathy Wood (middle) accepts the Community Foundation's Champion Award on behalf of her late husband, Jim Wood.

In 2013 the prestigious Champion Award honored an individual whose impact was truly extraordinary, though mostly unsung during his lifetime. Jim Wood worked as a Vice-President and Trust Officer for Centura Bank from 1975 until his retirement in 1996. In his tenure with Centura, Jim recommended the Community Foundation to at least two clients, Ruth Medgyes and Dorothy Luedemann, inspiring these clients to contribute two of the largest bequests to the Community Foundation in our history so far, a combined \$2 million. Through these bequests that Jim recommended, the Community Foundation has awarded over \$915,000 in grants and scholarships.

Jim was a prolific self-taught artist. It was his passion, and he painted every day. His works are in the collections of many banks and other corporations, and his artwork was featured on the cover of Ducks Unlimited magazine. Jim Wood died on January 4, 2013 after a short and courageous battle with pancreatic cancer. He is survived by his wife of 39 years, a son, a daughter, and three grandkids.

We gratefully recognize the following members, who contributed unrestricted membership gifts in 2013 or at a special recognition level in the Community Foundation's history.
